Beverages

The best wines, are the ones we drink with friends

Mr Grubb has a full selection of local Oakdene wines, local beer & cider, spirits, cocktails, soft drink & juices for you and your guests to choose from. We offer full table service for all guests on the night, please note we do not offer a cash bar.

Drinks charged on consumption

For larger groups, we recommend pre-selecting beverages & are happy to make recommendations for the event. Alternatively, guests can decide on the day from the drinks menu. Should you be hosting and you wish to arrange a bar tab, we can arrange this for you.

Splitting the Bill

Please note we do not split the bill. We encourage you the host to advise guests to bring cash on the day or arrange for a single payment to be processed.

Outside of busy trading services we are happy to take 'partial payments', which means you split the bill between yourself & guests at the table, & advise a team member what you would like to pay. All accounts are itemised for food & beverages & a calculator can be provided upon request. Please remain seated when you do this to avoid crowding at the terminals.

*Hosts should note that if there is anything left **unpaid** at the conclusion of the event, full payment is required for the outstanding amount.*
